

# MCN INDEX

Index to Volume 22

January to December 1997

Yelena Friedman MLS Indexer

## BY SUBJECT

### A

#### Abuse

Vaginal bleeding and abuse: assessing pregnant women in the emergency department (Greenberg, McFarlane, Watson) 182

#### Adolescence

Adolescent mothers: what produces positive mother-infant interaction? (Diehl) 89  
Caring for pregnant teens and their mothers, too (Roe, Balk) 153

#### Adoption

Supporting the adoptive family: a developmental approach (Peterson) 147

#### AJN Patient Care Survey

The AJN Patient Care Survey sounds an alarm (Bishop) 32  
Where have all the nurses gone?: final results of AJN's Patient Care Survey (Shindul-Rothschild, Berry, Long-Middleton) 33

#### Anxiety

Child and parent emotional responses during hospitalization for orthopaedic surgery (LaMontagne, Hepworth, Byington, Chang) 299

#### Asthma

An asthma day camp (Meng) 135  
The hospitalized child with asthma (Meng, Martorell) 128  
Leukotriene receptor antagonists: the newest in asthma drugs (Stevenson) 170

### C

#### Camping

An asthma day camp (Meng) 135

#### Child Behavior Disorders

The REST regimen: an individualized nursing intervention for infant irritability (Keefe, Froese-Fretz, Kotzer) 16

#### Child Development

Developmental stages of clinical research programs, Part I (Smith, Wilkinson-Faulk) 123  
Part II (Wilkinson-Faulk, Smith) 177  
Supporting the adoptive family: a developmental approach (Peterson) 147

#### Child, Hospitalized

Child and parent emotional responses during hospitalization for orthopaedic surgery (LaMontagne, Hepworth, Byington, Chang) 299  
The hospitalized child with asthma (Meng, Martorell) 128

#### Clinical Nurse Specialist

Advanced practice nursing: new opportunities for blended roles (Sperhac, Strotbeck) 287

#### Critical Pathways

Critical pathways: linking discharge planning and family teaching (Barnes) 103

### D

#### Data Collection

A summary of survey research (Kachoyanos) 73

#### Depression, Postpartum

The downward spiral of postpartum depression (Wood, Thomas, Droppelman, Meighan)

#### Drug Therapy

Advantages of the new progestins (Stevenson) 338  
An alternative for the management of acute pain (Burke) 56

Leukotriene receptor antagonists: the newest in asthma drugs (Stevenson) 170  
Nurses and pharmacists: a prescription for improved patient care (Stevenson) 226  
Tuberculosis treatment of women and children (Stevenson) 282

### E

#### Editorial

Collaboration — to do or not? (Bishop) 5  
Finding answers, finding other problem solvers (Bishop) 285  
Looking back to go forward (Bishop) 121  
Should you be writing? (Bishop) 65  
Visibility for nurses (Bishop) 175  
What readers are telling us — and what we're doing in response (Bishop) 229

#### Electrocardiography

When a syncopal event is more than a faint, Part I (Sharp) 27

#### Emergency Nursing

Assessing head injuries in children (Thomas, Taylor) 198  
Vaginal bleeding and abuse: assessing pregnant women in the emergency department (Greenberg, McFarlane, Watson) 182

#### Ethics

Ethical dilemmas in maternal-fetal research (Sams) 67  
The human genome project: issues and ethics (Kopala) 9

### F

#### Family Planning

Planning for pregnancy — a preconception health program (Nasso) 142

#### Fetal Alcohol Syndrome

Fetal alcohol syndrome — recognition and intervention (Gardner) 318

### G

#### Genetics

The human genome project: issues and ethics (Kopala) 9

### H

#### Head Injuries

Assessing head injuries in children (Thomas, Taylor) 198

#### Hemorrhage, Postpartum

Improving visual estimation of blood volume on peripads (Luegenbiehl) 294

#### Hemangioma

Congenital hepatic hemangioma in the neonate (Kane, Page-Salyards, Perry) 187

#### Hernia, diaphragmatic

Congenital diaphragmatic hernia: what happens after discharge? (D'Agostino) 263

#### HIV

Pregnant and HIV-positive: a case study (Harkey) 85

#### Hmong

Child safety seat use in a midwestern Hmong community (Block) 304

### I

#### Infant, Newborn

Child safety seat use in a midwestern Hmong community (Block) 304

Congenital hepatic hemangioma in the neonate (Kane, Page-Salyards, Perry) 187

An educational program for cuddlers (Graff, Price-Douglas) 48

Neonatal Group B streptococcal disease (Mitchell, Steffenson, Hogan, Brooks) 249

Recovering urine from diapers: are the test results accurate? (Kirkpatrick, Alexander, Cain) 96

The REST regimen: an individualized nursing intervention for infant irritability (Keefe, Froese-Fretz, Kotzer) 16

#### Infant, Premature

How does maternal employment affect preterm infants? (Youngblut, Ahn) 204

#### Infection Control

Tracking perinatal infection: is it safe to launder your scrubs at home? (Kiehl, Wallace, Warren) 195

#### Intensive Care Units, Neonatal

Limiting legal liability in the NICU (Hagedorn, Gardner) 256

Neonatal Group B streptococcal disease (Mitchell, Steffenson, Hogan, Brooks) 249

#### Interprofessional Relations

Advanced practice nursing: new opportunities for blended roles (Sperhac, Strotbeck) 287  
Collaboration — to do or not? (editorial) (Bishop) 5  
Finding answers, finding other problem solvers (editorial) (Bishop) 285

### J

#### Jurisprudence

Assisted suicide or the right to die, Part I (Rhodes) 31

Part II (Rhodes) 114

Liability for unlicensed assistive personnel, Part I (Rhodes) 269

Part II (Rhodes) 327

Maternal vs. fetal rights (Rhodes) 217

Viable fetus vs. drug-abusing mother (Rhodes) 127

### K

#### Ketorolac

An alternative for the management of acute pain (Burke) 56

### L

#### Liability, Legal

Liability for unlicensed assistive personnel, Part I (Rhodes) 269

Part II (Rhodes) 327

Limiting legal liability in the NICU (Hagedorn, Gardner) 256

### M

#### Magnetic Resonance Imaging

Helping children relax during magnetic resonance imaging (Smart) 236

#### MCN Practical Hints (department)

50, 277, 332

#### Mother-Child Relations

Adolescent mothers: what produces positive mother-infant interaction? (Diehl) 89  
Caring for pregnant teens and their mothers, too (Roe, Balk) 153  
The downward spiral of postpartum depression (Wood, Thomas, Droppelman, Meighan) 308

# MCNINDEX

## N

### Neonatal Nursing

- Amniocentesis for meconium staining: does it help? (Folsom) 74
- Congenital hepatic hemangioma in the neonate (Kane, Page-Salyards, Perry) 187
- An educational program for cuddlers (Graff, Price-Douglas) 48
- Improving neonatal care in a developing country (Wollaber, Rozmus) 231
- Limiting legal liability in the NICU (Hagedorn, Gardner) 256
- Neonatal Group B streptococcal disease (Mitchell, Steffenson, Hogan, Brooks) 249

### Nurse-Patient Relations

- Communicating with children: could you use some help? (McEveen) 108

### Nurse Practitioner

- Advanced practice nursing: new opportunities for blended roles (Sperhac, Stradtbeck) 287

### Nursing, Image of

- Visibility for nurses (editorial) (Bishop) 175

## O

### Obstetrical Nursing

- Amniocentesis for meconium staining: does it help? (Folsom) 74
- Current treatment options for ectopic pregnancy (Minnick-Smith, Cook) 21
- Improving visual estimation of blood volume on peripads (Luegenbiehl) 294
- Tracking perinatal infection: is it safe to launder your scrubs at home? (Kiehl, Wallace, Warren) 195
- Tuberculosis treatment of women and children (Stevenson) 282
- Vaginal bleeding and abuse: assessing pregnant women in the emergency department (Greenberg, McFarlane, Watson) 182

## P

### Pain

- An alternative for the management of acute pain (Burke) 56

### Parent-Child Relations

- Child and parent emotional responses during hospitalization for orthopaedic surgery (LaMontagne, Hepworth, Byington, Chang) 299
- Scolding, spanking, and time-out revisited (Gross, Garvey) 209

### Patient Care Team

- Advanced practice nursing: new opportunities for blended roles (Sperhac, Stradtbeck) 287
- Collaboration — to do or not? (editorial) (Bishop) 5
- Nurses and pharmacists: a prescription for improved patient care (Stevenson) 226

### Patient Discharge

- Critical pathways: linking discharge planning and family teaching (Barnes) 103

### Patient Education

- An asthma day camp (Meng) 135
- Critical pathways: linking discharge planning and family teaching (Barnes) 103
- Cultural competence in patient education (Freda) 219
- Developing educational materials for patients (Barnes) 55
- Don't give it away! (Freda) 330
- The hospitalized child with asthma (Meng, Martorell) 128
- Improving the written word (Freda) 271
- A new voice (Freda) 165
- Planning for pregnancy — a preconception health

program (Nasso) 142

### Pediatric Nursing

- Assessing head injuries in children (Thomas, Taylor) 198
- Communicating with children: could you use some help? (McEveen) 108
- Congenital diaphragmatic hernia: what happens after discharge? (D'Agostino) 263
- Fetal alcohol syndrome — recognition and intervention (Gardner) 318
- Helping children relax during magnetic resonance imaging (Smart) 236
- The hospitalized child with asthma (Meng, Martorell) 128
- The REST regimen: an individualized nursing intervention for infant irritability (Keefe, Froese-Fretz, Kotzer) 16
- Scolding, spanking, and time-out revisited (Gross, Garvey) 209
- Tuberculosis treatment of women and children (Stevenson) 282
- When a syncope event is more than a faint, Part I (Sharp) 27
- Part II (Sharp) 80

### Personnel, Unlicensed Assistive

- Liability for unlicensed assistive personnel, Part I (Rhodes) 269
- Part II (Rhodes) 327

UAPs: what's your experience? 326

### Pharmacists

- Nurses and pharmacists: a prescription for improved patient care (Stevenson) 226

### Play Therapy

- Communicating with children: could you use some help? (McEveen) 108

### Pregnancy

- Amniocentesis for meconium staining: does it help? (Folsom) 74
- Caring for pregnant teens and their mothers, too (Roya, Balk) 153
- Group B streptococcus and pregnancy: update and recommendations (Mitchell, Steffenson, Hogan, Brooks) 242
- How does maternal employment affect preterm infants? (Youngblut, Ahn) 204
- Planning for pregnancy — a preconception health program (Nasso) 142
- Pregnant and HIV-positive: a case study (Harkey) 85
- Vaginal bleeding and abuse: assessing pregnant women in the emergency department (Greenberg, McFarlane, Watson) 182

### Pregnancy, Ectopic

- Current treatment options for ectopic pregnancy (Minnick-Smith, Cook) 21

### Progestational Hormones

- Advantages of the new progestins (Stevenson) 338

## R

### Receptors, Leukotrienes

- Leukotriene receptor antagonists: the newest in asthma drugs (Stevenson) 170

### Relaxation Techniques

- Helping children relax during magnetic resonance imaging (Smart) 236

### Research

- Adolescent mothers: what produces positive mother-infant interaction? (Diehl) 89
- Amniocentesis for meconium staining: does it help? (Folsom) 74
- Child safety seat use in a Midwestern Hmong community (Block) 304
- Developmental stages of clinical research programs, Part I (Smith, Wilkinson-Faulk) 123
- Part II (Wilkinson-Faulk, Smith) 177

- The downward spiral of postpartum depression (Wood, Thomas, Droppleman, Meighan) 308
- Ethical dilemmas in maternal-fetal research (Sams) 67
- Grant writing (Kachoyeas) 267
- The hypothesis: its use and meaning (Kachoyeas) 215
- Improving visual estimation of blood volume on peripads (Luegenbiehl) 294
- Looking back to go forward (editorial) (Bishop) 121
- Measuring the effects of redesign (Kachoyeas) 163
- Methods for assessing the accuracy of measuring instruments, Part II (Kachoyeas) 53
- Recovering urine from diapers: are the test results accurate? (Kirkpatrick, Alexander, Cain) 96
- Research funding sources (Kachoyeas) 323
- The REST regimen: an individualized nursing intervention for infant irritability (Keefe, Froese-Fretz, Kotzer) 16
- A summary of survey research (Kachoyeas) 73
- Tracking perinatal infection: is it safe to launder your scrubs at home? (Kiehl, Wallace, Warren) 195
- Vaginal bleeding and abuse: assessing pregnant women in the emergency department (Greenberg, McFarlane, Watson) 182

## S

### Safety

- Child safety seat use in a Midwestern Hmong community (Block) 304

### Smoking Cessation

- Stick to life: a sticker competition for smoking prevention (Freitas) 50

### Specific Gravity

- Recovering urine from diapers: are the test results accurate? (Kirkpatrick, Alexander, Cain) 96

### Streptococcus, Group B

- Group B streptococcus and pregnancy: update and recommendations (Mitchell, Steffenson, Hogan, Brooks) 242
- Neonatal Group B streptococcal disease (Mitchell, Steffenson, Hogan, Brooks) 249

### Substance Abuse

- Maternal vs. fetal rights (Rhodes) 217
- Viable fetus vs. drug-abusing mother (Rhodes) 127
- Suicide, Assisted
- Assisted suicide or the right to die, Part I (Rhodes) 31
- Part II (Rhodes) 114

## T

### Transcultural Nursing

- Child safety seat use in a midwestern Hmong community (Block) 304
- Cultural competence in patient education (Freda) 219
- Improving neonatal care in a developing country (Wollaber, Rozmus) 231
- Tuberculosis
- Tuberculosis treatment of women and children (Stevenson) 282

## U

### Urine

- Recovering urine from diapers: are the test results accurate? (Kirkpatrick, Alexander, Cain) 96

## W

### Women, Working

- How does maternal employment affect preterm infants? (Youngblut, Ahn) 204
